And new resolution, LR 10 offered by Senator Haberman asking the Legislature to give official designation of the Sausage Capital of Nebraska to the city...Village of Eustis, Nebraska. That will be laid over. (See page 155 of the Legislative Journal.) That's all that I have, Madam President.

PRESIDENT MOUL: Thank you, Mr. Clerk. We will then proceed with Item 6 on the agenda, legislative resolutions, LR 5.

CLERK: Madam President, LR 5 was introduced by Senator Wehrbein and a number of his colleagues. It is found on page 117 of the Journal. (Read LR 5.)

PRESIDENT MOUL: Senator Wehrbein.

SENATOR WEHRBEIN: Yes, Madam President, members of the Legislature, I simply wanted to bring this to your attention today. I apologize to those of you that I was not able to entirely get to in terms of signing the resolution. I did do as many as I could. But I think many of you knew Senator Carsten and those of you that didn't knew of the respect that the body had for Senator Carsten. He was well liked, a popular, gentleman that was very diligent in his service for the 16 years that he served here in the body and he has had considerable hardship in recent years in his life. Mrs. Carsten today is still in a home and I wanted to call your attention to the fact that he did pass away and served his state well, and to involve, hopefully, that as many can vote, I know we are a little bit short today in terms of numbers, but I think it is important that we pay tribute to Senator Carsten and I would simply ask for your vote for that reason.

PRESIDENT MOUL: Thank you, Senator Wehrbein. Senator Wesely.

SENATOR WESELY: Madam President, members of the Legislature, I want to thank Senator Wehrbein for introducing the resolution allowing some of us to cosign it with him. Cal Carsten was an individual I had the pleasure of serving with for eight years, my first eight years in the Legislature. He was a great gentleman and a person that we all admired and respected. Obviously his illness over the past years has been hard to watch and now we've lost him and, of course, mourn his passing but through this resolution, through our comments today remember him
